

Summer Activities Request Form

PO Box 2098, Everett, WA 98213
www.Everett.k12.wa.us

**Due to the School Athletic Office on or before
Friday, May 5, 2017**

Head Coach's Name: *Mindy Staudinger*

High School: *Jackson*

Sport: *Volleyball*

Initial the box.

- I do NOT plan to run summer activities.**
*If you check this box, stop here and return form to the Athletic office.

I am requesting approval to run the Summer Activities listed below. (Initial each box.)

- I understand that I need to send a brochure for each camp, clinic, or tournament to the District Athletic Office before approval can be granted.
- I understand that School Board approval is required for **overnight activities**. School Board paperwork must be submitted **45 days in advance**.
- I understand that summer activities in the Everett School District are district-sponsored and that **I must adhere to school district standards and expectations (adequate supervision, abstention from alcohol, etc)** while taking part in these activities.
- I understand that all drivers must have a current Type II license verified by the building athletic coordinator with transportation if I coordinate transportation. In general, students should arrange their own transportation. If coaches arrange transportation, then district buses or vans should be used.
- I understand that the first legal day for spring/summer programs to begin is **the day after the last spring state championship**.
- I understand that **the end date** of all summer activities, except optional weight room/conditioning activities, is **July 31**.
- I understand that non-students and/or graduates are **not permitted** to take part in summer activities.
- I understand that **students not currently enrolled** in my school, but who claim that they plan to attend my school, **must receive approval** in advance from the building athletic coordinator AND Director of Athletics. Official acceptance by the school district and proof that the student **CURRENTLY** resides in the school's service area must take place **BEFORE** the student is approved for participation.

Return this completed form to your building Athletic Director. If you are running summer programs, provide that information as well.

Summer Activities Packet

PO Box 2098, Everett, WA 98213
www.Everett.k12.wa.us

The Everett School District is coordinating participation of team members in the following voluntary activities. Your initial next to any of the following summer activities indicates permission for your child to take part. On the first page, please initial the activities in which your child may participate. On the following pages, complete and sign all of the appropriate areas. **Your child is not eligible to participate in summer activities until your child returns the completed packet to their coach.**
